

MUNCH!

The Exidy Sorcerer's answer to PAC MAN (TM)

Created by Matthew Hickey

COPYRIGHT © 1982 BY SYSTEM SOFTWARE

Munch simulates one of the world's most popular arcade games on your Exidy Sorcerer.

Your mission is to manoeuvre your muncher around the maze, eating dots as you go. Beware of the GHOST MONSTERS that follow you! By eating a flashing POWER PILL you gain extra powers that allow you to eat the GHOST MONSTERS! See if you can locate and eat the pieces of fruit when they appear.

Munch away...!
