MORGOTH

Ye a warrior knight brave & true,
Tis time to face Morgoth with deeds to do,
Hast thou fearless spirit the skill and might?
Dost thou challenge spider, ghost and goul to fight?

MORGOTH

CHALLENGE

Recover the lost treasures of KALLAD, slay monsters, and escape the realm of THRANDBAR.

THE LEGEND OF KALLAD.

KALLAD was king of the peaceful realm of Thrandabar until the awakening of MORGOTH, a being of pure evil and might, who with his servants, devastated the realm. In its fall MORGOTH captured SMEAGORS KEEP, the kings palace and filled it with his haunted servants. So too did he turn the tight network of underground caverns beneath the palace into his personal dungeon, the CAVERNS OF MORIA. While the treasures of the King lay scattered and his forests infested with evil ghouls, the power of evil remained undetested. Or at least until now.

IMPORTANT POINTS ON PLAY.

You cannot kill fireballs, nor does MORGOTH fall to anything but the most powerful of magic weapons. Treasures are scattered about Thrandabar and look like this '#'. A bonus treasure will appear at times which looks like this '?'. This is an added bonus. Touch any treasure to collect its gold value and add it to your score.

If you are touched by any creature you will be instantly slain!

Some treasures release a poison mist when opened. Beware!

If you become entangled between trees in the FOREST OF MIRKWOOD, then escape is impossible!

Also note that you don't have to leave Thrandabar (even if you loose your extra bonus) but the game will get harder anyway if you stay there too long. As a final warning, watch where MORGOTH is before leaving a chamber. His position in the next is determined by his last!

Within a few seconds two asterisks should appear and the rightmost should blink steadily for 4 to 5 minutes. If the program does not do this or has not loaded then repeat steps 1 to 5 again with a different volume setting on your tape recorder. There is a backup copy on the other side of the tape.

NOTE: For sound connect the AUX plug to an AMPLIFIER.

Have fun and enjoy the game!!
